

President's Report:

Another month, another report.

Where did that month go? It must be getting nearer to spring and warmer days. Everything is ticking along at ACCC with Club Captain Ray coming up with some interesting outings.

There are two things I would like to focus on this month. The first being your committee. Although we are very fortunate to have a small committee of keen and energetic people, the emphasis for this newsletter is on **small**. Our rules state we must have a minimum of seven and a maximum of eleven. We have the minimum at the moment and the fear I have is that these people may lose their enthusiasm because of overwork and it would be great if we had a few more to share the load. Being on the committee is a great way to meet people and become involved in club activities. Remember if there is not enough people on the committee to organise and help this means there is less outings for us all to enjoy. So if you would like to discuss putting your name forward for committee with no pressure or just to find out what is involved, I would like to hear from you. My phone numbers are 3227200 (home) or 0272015542 (cell).

The other item I would like to address is name tags. The club has supplied these to all club members over the past few years. We see very few being worn on our club runs. It would be great to see this change. If you have been around for a while you probably assume that most people know you. However new members are joining all the time and they may not know you and if you are one of our new members, it would be great if those that have been here awhile could introduce themselves and call you by name.

Please give both these matters some thought.

Happy Motoring

This Month's Event - Shed Run

This month's event is a visit to a private shed collection

Date: Sunday 12th August
Meeting Place: The Rolly Inn car park
Time: 1pm

We will cruise to Springston for our shed viewing. On the way to the shed there is about .8km of shingle road from the sealed road to the shed. There are two sheds, one has 7 cars with work in progress and the other has 15 restored vehicles. (American & Australian) Afternoon tea will be provided following the shed viewing. More details on the day.

American Independence Day Run Cruise Report

Club Captain's July 2018 Independence Day Report

Rain was forecast for the day, but not where we ended up. Twenty four cars started the Run at the Peg in Belfast and cruised the back roads from The Waimak River through Kaiapoi West and Rangiora, over the Ashley and ended up at The Anglers Arms Tavern in Sefton. We had our own private area in a comfortable warm marquis out the back of the Tavern, which had a very welcoming fire to keep out the winter chills.

Quiz - The members all had a small Independence Day quiz to complete before afternoon tea. Some tricky questions were asked, and we ended up with a clear winner Phil & Debbie Jorgensen and two others, Kevin Giles-Pain & Michael Prentice and Maggie & Bill Stanley were a close 2nd equal.

***Best Independence Day Attire** - Two couples, Dave & Sharyn Busch and Maggie & Bill Stanley, shone when it was time to judge the best Independence Day attire. Both pair was dressed from tip to toe in Star spangled glory. 3pm was afternoon tea time for 50 and the Anglers Arms excelled in this area.*

Thought for the month:

When you drive home today, you've got a big windscreen on the front of your car. And you've got a little bitty rear view mirror. And the reason the windscreen is so large and the rear view mirror is so small is because what's happened in your past is not near as important as what's in your future.
