

President's Report

Craig's Conundrums'

Hi all

Hoping you are all keeping warm and safe in the current climate! Speaking of safe we have had a review of this month's (run and have decided to incorporate if not the whole run then a good portion of it with the VCC Daffodil run and BBQ for Cancer as outlined in the flyer later on in the newsletter. We should view this as a club activity to support this very worthy cause and while there are a several meeting points for differing Rallies on the day perhaps we can focus on say the Rolleston meeting point to keep us all together and turning up at the end point as a group. More work will be done on managing this and Jimmi as always will send out further detail closer to the event.

On the subject of the last run we again extend a huge thanks to Kevin and Michael at the Classic Workshop for opening their amazing facility for us all to enjoy. No doubt you will be aware that the Classic Workshop offers specialist care and repairs for the likes of our cars and of course Warrants of Fitness so with this in mind we should consider taking good advantage of these services and supporting them as club members and major sponsors at our "All American Day". Apart from that it is always satisfying to simply drop in and take stock of the ever changing eye candy - (The four wheeled variety!)

On another note, as a committee we are looking forward to exploring further really interesting and challenging club runs out front and further reviewing how we as committee members can continue to bring plain old good management to include all club members in how the club moves forward. From my perspective, I'll make no apologies for pushing the boundaries or testing new waters as I believe there is a strong position for good constructive debate and challenging the norms for the ongoing betterment of the club. As always, it must be remembered that this **IS** your club and your input is of course very welcome. For example, recently Bob bought to our attention a museum in Geraldine that featured in a regional newspaper and the committee will take this on board for possible future events -this information from members is of real value so bring it on.

Until the next run stay safe and go well. - PC

Peter Craig,
President

Sunday 21st August

For our August event, we have decided to join in with the Daffodil Rally for Cancer on Sunday 21st August 2022. Cancer has affected us all in different ways and this is a worthy cause to support.

Proudly supporting the
Cancer Society
Te Rauwhakapapa o Aotearoa

Come and join the fun

*Coffee available at start points
BBQ lunch can be purchased at the VCC Grounds.*

\$10 vehicle entry fee - all fees will be donated to the Cancer Society

Club Captain's Report

Keeping up tradition, we had our Poker Run on Sunday July 24th. We started the run from the Selwyn DC car park and travelled through Lincoln to Tau Tapu. The very scenic cruise took the Akaroa highway and turned off at Gebbies Pass, followed on to Lyttelton, through the Tunnel and ended up in Ferry Road at the Classic Workshop. The run was about an hour long and covered approximately 60km. The day was overcast, but better than the previous days, which were torrential rain. The Poker Run competition was well attended with 42 people and 24 cars participating. The club supplied a great afternoon tea for everyone, scones and biscuits with a hot cuppa. Melissa Parker and her friend, Darryl won the trophy, with a straight (Ace 2 3 4 5).

I unfortunately missed the Independence Day cruise on Sunday 3rd July. Looking through the many photos, it looked like a great event ending up at the Oxford Working Men's Club. Thank you to all the committee who arranged this day to make it a fun outing.

Keep on cruising and look out for the other motorist

Ray Bewley
Club Captain
