

Hi all,

As you will all be aware by now, regrettably I have had to resign my position as president and step back from committee involvement in the club. This has been a very difficult decision for me and Chris as the committee and club involvement has provided us both with many fun filled times and strong support. Chris's health is becoming more challenging, we've discussed this at some length and it's clear that we need to focus our efforts on this very personal situation going forward. We have greatly enjoyed forging new friendships in the club and hope these can continue. Thanks again for your support in my role as President, thanks also to Bill for stepping up again to fill the role and we look forward to engaging where we can as members.

Kind regards -- Peter & Christine Craig

Secretary's Report.

Sadly, we have to farewell Peter as our President. Peter has been a valued member within the ACCC team. We will miss his in-depth knowledge of classic cars. We wish Peter and Christine all the best.

I would like to welcome back Bill Stanley as our Acting President. Bill needs no introduction as Bill was our leader over the past 3 years. Bill & Maggie have hosted the club on many occasions to their home, to view Bill's other passion, the PIRFIC STATION.

Another most successful USA Day. It was a privilege to have our amazing sponsors and supporters this year. I wish to acknowledge our major sponsor - Classic Workshop - as well as being very proactive club members, Kevin & Michael continue to support our club, members and committee.

We are also extremely grateful to our other sponsors for their valued support; Men at Work, EzyStore Storage, Mustang Centre, American Auto Parts, KATS Kaiapoi, Moorhouse Muscle, Haydn Brush, Waimak Classic Cars, Burkes Metal Works, Blackwell Motors, NZ Audio & Video and Chubb (NZ)Fire. Without these businesses we would not be able to hold this event so please continue to support them whenever you can.

Waimakariri Mayor Dan Gordon was unavailable, however, it was great to see the Deputy Mayor Neville Atkinson make an appearance.

There are many people who need to be acknowledged ... A huge thankyou to the North Canterbury News for their article on USA Day - copy and paste this link into your browser and check out the article ...

Thank you to the Pegasus/Woodend Lions for manning the gates, and our RN on site, Jane. Once again Graeme Martin did a sterling job as our MC and the band, FIRE & ICE blasted out many favourites.

The end of the year is a good time to look back and appreciate what this hard working committee do to make every event memorable. There are always lots of photos taken for our photo albums and newsletters. We are looking forward to having another fun filled day at the Christmas Party on Sunday 11th December. We will see you at the Pines Kairaki Community Centre around midday. (same venue as last year).

Stay safe and Happy Christmas everyone.

Jimmi Anderson
Secretary / Treasurer

The following prizes were awarded at USA Day to:

<i>Best in Show</i>	David Fenton & Nicole Redfern - 1958 Pickup Chev Truck
<i>Winner – Best Hot Rod</i>	Brian Simpkins - 1935 Ford Coupe

Club Captain's Report

USA Day has come and gone and we are heading towards our last event for 2022, the Christmas Party.

We had a long haul to get things organized for USA Day, but in the end it all come together for the big day. A big thanks to those who helped before, during and after the show. Without you guys and gals, and the wonderful selection of beautifully groomed vehicles, there would be no show.

There was a great variety of pristine American Vehicles and I might add a few foreign brands that also slipped beneath the noses of the gate money collectors that made up a great collection of shiny well-groomed vehicles.

Fire and Ice (The Band) kept the enthusiasts entertained with music as the show continued through the day. The Waimakariri Council had the grounds looking very smart and easy to set up for our show.

We managed to get almost 400 vehicles in the gates for the show and we almost filled the spectator's public car park. Apart from a couple of minor incidents earlier in the day, everything went smoothly and we ended up with 4 winning vehicles'

Stay safe on the roads & look out for the other motorist.

*Ray Bewley,
Club Captain*
