

President's Report:

Well this is it my final newsletter report as the president of this club, although there will be an end of year report to be presented at the AGM on the 16th June.

I understand the club outing for May was very much enjoyed by those that attended. Being Mother's Day and a special family gathering I did not make an appearance but I would like to thank Ray and helpers for their efforts for this day.

It would seem that some of your committee will be putting their names forward for election at coming annual meeting but it would appear there will be several vacancies.

Please consider putting your name forward or coming to meeting to support those who do. Once again if you are considering a position on the committee and you would like to contact me to discuss this confidentially please don't hesitate.

That's it from me.

Signed off Roy!

Club Captain's Report

Annual Run on Mother's Day

We arrived at the private car museum of Bryan and Mavis Wilkins, which is known as "Bryan's Toy Box"

What a lot of toys Bryan has. Our members were greeted with a questioner pertaining to items in the Museum and a general knowledge of American Car logos. This led to the winner, second and third place getters in the Annual Run.

This Museum is set up in a shed on Bryan & Mavis's farm and has a large open area where the cars are displayed, a workshop area including a hoist, an office and a bathroom/wash area. The museum had an array of different vehicles, but the most dominant were Chryslers. He had some very rare models and 3 of which were the only ones in New Zealand. See ACCC facebook for photos. <https://www.facebook.com/AmericianClassicCarClubCanterburyInc/>

Bryan has been very active in restoring a number of these vehicles himself and is pretty particular in the way his work is finished. Every vehicle is immaculate and all of them are roadworthy. He drives every one of them regularly. He was very informative about the history of his cars and also their farming history. Their family has been farming in New Zealand for 165 years. Mavis set up afternoon tea for the club and everyone sat around for prize giving.

The winners of first, second and third place are as follows:

First place prize which includes the ACCC trophy Simon & Carol Wilson

Second place prize - Murray & Wendy Marshall

Third Place Prize Equal - Gary & Barb Court and Melissa Parker

As usual the weather forecast was wrong; we were led to believe it would rain from about mid-day. It didn't rain until we were about to leave the museum, which was 3.30pm.

Keep on Cruising and stay safe
