

**President's Report:**

Last month we had a great turnout as we had the privilege of a club visit to the nearly complete "Classic Workshop". What a fabulous asset this will be to our city and a great source of information and assistance to many of our club members.

Congratulations and good luck to Kevin and Michael for the future of this exciting venture.

This month we can all get excited about the up coming AGM and look forward to seeing another great turnout as you all volunteer to join the committee!!

Keep ya motor running and have a pirfic day.

Bill Stanley, President

*This is a good chance to catch up and have a natter.*

*For some it may be the oportune chance to join our committee.*

## Secretary's /Treasurer's Report

We omitted to address this last year due to Covid brain .... At the AGM in 2019 it was suggested that members can put forward any expressions of interest for a percentage of NET profit generated by activities other than annual subscriptions be donated to worthy registered charities. Members are invited to put forward a registered charity and a list will be collated for the incoming committee's consideration.

If you know of any members' interested in being on the committee, then please put their nomination in. The nomination form will be available at the AGM. The completed nomination form must be in the hands of the Secretary (Jimmi Anderson) before the commencement of the Annual General Meeting.

New Membership Cards .....

The names have gone to the printers and hopefully you will be able to pick up your new membership cards at the AGM.

Stay Safe

Jimmi Anderson,

Secretary / Treasurer

## Mystery Cruise - Sunday 16<sup>th</sup> May

Another great turnout of club members, 65 people in total and 34 vehicles. We met at the Papanui Club and cruised from there to QEII drive then on to Anzac Drive and meandered through to 1014 Ferry Road, where we ended our half hour journey. We were greeted by Kevin & Michael, the owners of **Classic Workshop** where they have just established their new business. These guys are members of our club

After getting there, the members all went for a wander through to the classic cars (mainly American), which are their own private collection.

This place is huge and when they open for business, in about a month they will cater for:

- Vehicle servicing
- General mechanical repairs and maintenance
- Pre-certification and compliance management
- Pre-purchase inspection
- Light restorations and rust repairs

They will take on other more specific jobs on a case-by-case basis. Just talk to them - they love a challenge.

In time once they have all the necessary approvals in place they'll be offering Warrant of Fitness - motorcycles, cars, trailers, horse floats, caravans, light trucks.

They will provide the services above as standard for owners of classic cars, motorbikes and light trucks.

Lastly they mention the importance of community. They've set up their premises to be a comfortable place to hang-out in while you wait for work to be done on your vehicle, or you could just drop in as you're passing. They'd love to see you.

They'll continue to keep you updated in the lead up to opening, through the club.

If you have any questions in the meantime, please don't hesitate to contact Kevin Giles-Pain on 0274 520 414

The club supplied afternoon tea for the members and we had a lovely sunny afternoon in a great open reception area.

We hope to see all of you and also the others who didn't get to the Mystery Cruise, next month at the Papanui Club, our **A.G.M. June 20th**

Keep on cruising - be safe

Ray Bewley - Club Captain

## Message from Kevin Giles-Pain:

Thank you all again for such a wonderful turn out on Sunday. We felt privileged to host you and hope you enjoyed the afternoon. We're probably a month away from officially opening but in the meantime here's a bit more information about us and what we're aiming to provide.

We believe that owning a classic is a combination of experiences:

- A passion for the style and craftsmanship with which they were designed and built, and the stories behind the cars
- The joy of driving a classic and experiencing their unique personalities on the road
- The shared enthusiasm of classic-car owners and the friendships and community of like-minded people that form around them

We want to support classic-car owners and their cars to keep these experiences alive.

We want to help you keep your classic on the road - because it's there that the classic car experience really comes to life.

Quite a few people asked about the floor at the workshop. Several were thinking about finishes for their garages. The contact details of the firm that did the flooring is:

Regis Coatings

ph: 0800 542 542

email: [sales@regiscoatings.co.nz](mailto:sales@regiscoatings.co.nz)

We also believe that a classic is very much in the eye of the beholder.

We'll help with classics of all origins and ages, from veterans to the classics of tomorrow.

If it's a classic to you, it's a classic to us.

## **Ronald McDonald House Fundraiser Christchurch Supper Club Event**

Ronald McDonald House South Island will again host our annual Christchurch Supper Club event, raising important funds to support the families that stay at the house. As part of this event we are again looking for support of club members with classic or vintage cars to surprise the guests, transporting them from the pre-dinner cocktail event to their individual dining locations (most within Central city). We are looking for a total of 70 vehicles, small and large, so any help you can provide would be fantastic. Details Below:

- Date: Friday 18th June
  - Pre-dinner Venue: Christ's College, Rolleston Avenue, Christchurch Central
  - Vehicles onsite: By 7.00pm
  - Ready for guests to depart: From 7.10pm
  - Dining Locations: We try and keep them centrally located and I will be able to advise of all the dining locations a little closer to the event. Depending on total numbers on the night, we may need each vehicle to transport two groups of guests
- Thank you in advance for any assistance you may be able to provide

***They have indicated that if your vehicle only can take one passenger, they are more than happy for this to happen. Some of the participants just want to experience a drive in a classic. If you can commit to this on Friday 18<sup>th</sup> June, please let me know and I will collate a list for RMH.  
Thank you, Jimmi (021 2379637)***
