

President's Report:

Here we are well into the new year already with two Club Runs behind us. The feedback from members that attended would indicate that both outings were well attended and much enjoyed. Thanks to those committee members who made the effort to organise these events and I'm sure our Club Captain Ray will be reporting on them.

Our committee has had a change of faces with Graeme Craig leaving us and Phil Jorgensen coming on board. Because our constitution states we must have a minimum of seven .Phil's appointment means no special meeting has been needed and business as usual. As all members will be aware your committee has been operating with minimum numbers all year. It is probably a bit late to make many changes for the remainder of this year but a full committee makes less work for all and perhaps members could give this matter some thought for the coming year.

Happy Motoring Roy

March 15th - 17th March:

Caroline Bay Rock & Hop: This event is looking like a great weekend for car enthusiasts. On Saturday 16th we will meet up at the Pac n Save car park at 9am then travel to the venue in convoy to enable us to park together as a club. It would be great to see all cars with our club banners displayed. It would also be great if members could wear their club apparel as it makes it easy for members to identify other members and also helps in the promotion of the club through our monograms being displayed.

Club Captain's report - 'February Event

Whitecliffs Music in the Garden'

WOW, what a great day out. Thank you to Graham & Cathie Martin for the very warm welcome to our club members. It was a stunning day, with a great line up of American cars. It was great to see some of our new members turn up. We all sat back and chilled out in the superb garden with a fun group of people, enjoying the music, atmosphere and weather.

Looking forward to seeing you all in Timaru. Below is the timetable for the day.

Until next month safe cruising, Ray Bewley - Club Captain

Twin Rivers Motoring Extravaganza - Sunday 10th March 2019

It's Twin Rivers time again. We had a great turnout of a wide variety of interesting vehicles and we hope to have the same again this year – more if possible! This year we are fundraising for the replacement van for the Cholmondeley Children's Centre, to replace the one provided by Avonhead Rotary some years ago.

Enclosed are details about the event and this year's entry form – for more information, follow us on the Twin Rivers Facebook page.

We've been delighted to have your support in the past and hope you are able to come along again in February.

We look forward to seeing you (and your vehicles) there!

Prizes of one year's subscription to Classic Driver magazine will be awarded for Best American, Best Australian, Best British, Best European and Best Japanese vehicle at a prize giving at the Showground at 2pm.

Also Best in Show.
