President's Report:

As covid continues to dominates the airwaves and has an influence on all our lives and our club activities, we must continue to plan like there will be a tomorrow!!

Our most recent event took us to Little River for a leisurely cruise, a very nice lunch and of course the Annual Run and cup quiz. The club subsidised a finger food lunch which went down a treat and was enjoyed by all. A very competitive quiz followed well prepared by Ray, testing even the best of American Classic car knowledge. Three members all managed 18 / 20, and following close scrutiny of the detail provided in the answers, the three place winners were determined. Pictures and results later in this issue.

Margaret and I recently had the privilege of an invitation to view a shed in Sheffield which just happened to have several cars of interest:- 1929 Bentley, 1957 Prefect, 1906 Cadillac, 1931 Rolls Royce, 1928 Chevrolet National, and a 1930 Model A. All are in very good running order, and each with their own historic story. We heard the Cadillac fire up and run, the Chevrolet is used on a regular basis on the farm, and the Model A is a regular attendee on rallies.

Keep ya motor running and have a pirfic day.

Bill Stanley, President

Club Captain's Report

Annual Run, 16th August 2020

19
American
cars and

one German car assembled at Halswell New World

and started off on our journey to Little River Hotel. The German car (Yellow BMW Z3) led the way. That meant all the beautiful sparkling American cars could be together, without having a bumble bee between them. I must mention the owners of the BMW do own an American vehicle, but they couldn't get it to start, so the next best thing was to bring their other toy.

We all arrived at our destination and gathered outside for a catch up before marshalling into the Hotel. Once inside some of us used the bar facilities to wet the whistle and it wasn't long before our lunch was ready. The establishment put on a good spread for lunch and everyone had enough to feed their brain so they could answer a series of quiz questions on American cars put in front of them, so they

could be in to win the ACCC Annual Run Trophy. We had a close three and Kevin Giles-Pain took the honours.

I had the pleasure of visiting the Rodder's Breakfast in Hawke's Bay, Sunday August 2nd. There turn out is a lot smaller than Kustom Club Rodder's Breakfast, but had a great display of cars from the 1930's Hot Rods through to 2000's Dodge Ram. There were about 50 cars in the line-up which were very impressive.

We went to the BellaRat's Gas & Gander at NPD in Moorhouse Ave which was on the first Friday night of the month. They attracted about 50 cars and had trouble getting all the vehicles on the forecourt. At one stage the classics and hotrods took over the whole area, there were not enough spare fuel pumps for people to get gas. The meals there are similar to the NPD in Rolleston, they had adequate supplies to cater for the crowds. We caught up with a few from our car club, in their American classics, which in my opinion stole the show. We stayed for a couple of hours which was long enough to watch a couple of ratbags almost lose their vehicles doing massive burnouts in Moorhouse Ave, after leaving the gathering. All in all, a good night out and worth a look.

Keep on Cruising and stay safe,

Ray Bewley

(Club Captain)

Secretary's /Treasurer's Report:

USA Day: Sunday 1st November 2020

Save the Date: Planning for this day is under way

Over the last month we have had another committee meeting and have made good progress on the planning for USA day. As a committee we can only do so much for an event of this size, but **WE NEED YOU**, if you could help on the day, especially with parking vehicles, even for an hour or so would be a great help and much appreciated. Other help required would be setting up on the Saturday afternoon, marshalling in the cars, parking in the public car park, selling raffles & merchandise, and clearing up at the end of the day. It was agreed we would have a live band again, which created a superb atmosphere last year and of course there will be display stalls, food & coffee carts.

If you are prepared to help please email the club accccanty@gmail.com and we can add your name to the list of helpers.

This year the entry cost will be the same, the only difference is that everyone will pay the \$5 entry including our members.

50th Anniversary - 9th, 10th & 11th April 2021

At the last committee meeting the date was set to celebrate the club's 50th anniversary. On 9th, 10th & 11th April 2021, the American Classic Car Club will celebrate their 50th Anniversary. I sent out an email last month asking for expressions of interest for this momentous occasion. The response has been great. Planning is now underway and we would still welcome suggestions and ideas from members even if you are not on the sub-committee. Remember this is your club and any involvement is appreciated.

Stay safe & keep warm
Jimmi Anderson.
Secretary / Treasurer

ACCC September Event

Sunday 13th September

Bernie's Diner & Car Museum, Kaikoura

Meet at The Peg at 9am to
leave at 9.15am. We will
