

President's Report

Welcome to spring, with many clear indications warmer days are on the way.

Only two months now until USA Day 2023, please advise if you have any person who may be interested in being a sponsor this year so we can discuss which option may best suit their requirements.

Our August run to Greta Valley was very successful with a great turnout of members, lovely weather, good food, and a memorable quiz, thanks to all involved.

Keep ya motor running and have a pirfic day.

Kevin and Michael hosting our visit, please bring your own lunch

Sunday 13th August – Annual Run

ACCC Annual Run Review - Greta Valley Tavern.....

Again - someone was smiling on us and my sins seem to have been forgiven! After a really sketchy week weather wise we were favoured with an incredible day which made for a really enjoyable run in the sun which took around 45 minutes.

We all met at "The Peg" with a pretty incredible turnout of something like 56 folk in something like 28 classic cars and got on the road just after 11am. Sam commented later on that the extensive line of American Iron snaking up the highway in the sun was a sight to behold even in the wing mirrors.

The Tavern was a breeze to find and carpark huge - and we filled it after seeing a group of bikers off. The staff had done an excellent job of setting the room up for us and meals started flowing pretty much instantly and all meals were delivered without fuss and helpings were certainly generous.

Following lunch, we embarked on a two-part quiz - the first being a name the 60's song jobbie which certainly tested mental agility and memory retention - challenging for some, however the 2nd part involved automotive trivia which had some saving graces. Jimmi and Ray proved that all things are possible and soundly won first place across both genres and to the envy of all others in the room got to take home the highly desirable "Annual Run" trophy with their names to be engraved as a record of success in perpetuity. Second place was awarded to Steve "Wilson" Pickett, 3rd equal place to Jacqui and her quiz partner Michael Prentice, and Lorraine and Mark Rayner - congratulations to all.

With these conclusion members started departing around 3:30 with reports that the day had been a success. Again my thanks go to Murray, Wendy, Sam, Maria, and Bill for their valuable support and to Sue Williams for stepping up so willingly to help mark quiz sheets - great effort - and indeed to all of you for registering numbers.
